5. The Rain / Wind insurance covers all payments made to Planet Entertainment Pty Ltd. that relate to your booking.
6. Carefully read and understand the weather conditions that will result in you being able to make a claim on this agreement.

The duty manager at Planet Entertainment will make a weather assessment 4 hours before the starting time of your booking. The weather assessment is made using the Bureau of Meteorology web site www.bom.gov.au with particular attention to rain and wind strength.

If rain is present on the BOM radar, at falls exceeding the blue light bands at your site, you qualify for rain insurance. The rain must have fallen within the three hours prior to your event.

If the wind speed at your site is greater than or equal to Beaufort scale force 5 ie. greater than 32.4 km/h the booking cannot go ahead and you qualify for wind Insurance.

If the booking is on a council owned site and the council shuts the site to all events due to bad weather you qualify for a claim – No BOM assessment required.

The duty manager will always discuss your booking with you prior to making an assessment on the conditions.

Rain / Wind insurance cannot be claimed once we arrive on site. If we arrive on site full payment will be required. If the event is cancelled after we arrive on site or during the booking period no claim can be made on this agreement.
